## SCHEDULE "A"

### COLLATERAL DESCRIPTION

All of the Grantor's right, title and interest in and to the following, whether now existing or hereafter arising:

- (i) All of the Current Patent Suits;
- (ii) All of the Future Patent Suits;
- (iii) All of the Goodman Patents;
- (iv) All Gross Recoveries;
- (v) All of Grantor's deposit accounts; and
- (vi) All proceeds and products of the foregoing in whatever form, and cash, negotiable instruments, and other instruments for the payment of money, chattel paper, security agreements, or other documents.

For the purposes of this Schedule A, the following terms shall have the following meanings:

**"Current Patent Suits"** means Inline Connection Corp. v. AOL TimeWarner, Inc. and AOL Online, Inc., CA No. 02-272 (MPT) (U.S. District Court for the District of Delaware); Inline Connection Corp. v. EarthLink, Inc., CA No. 02-477 (MPT) (U.S. District Court for the District of Delaware); and Inline Connection Corp. v. Atlantech, Inc., CA No. 02-1420 (MJG) (U.S. District Court for the District of Maryland, Northern Division), appealed to the U.S. Court of Appeals for the Federal Circuit in May 2003.

**"Future Patent Suits"** means any suit other than the Current Patent Suits wherein a claim of patent infringement of at least one claim of the Goodman Patents related to digital subscriber line service or video on demand over any digital subscriber line service may be alleged in good faith against a third party, and includes allegations or claims of patent infringement prior to the filing of a formal action against such third party made to settle such allegations or claims or otherwise for the purpose of securing a pre-litigation Settlement; *provided however* that Future Patent Suits shall not include suits wherein a claim of patent infringement of the Goodman Patents relates solely to (x) applications thereof for 10BaseT Ethernet over voice or 100BaseT Ethernet over voice or (y) applications wholly confined to point-to-point communications within a hotel.

**"Goodman Patent Rights"** means any right, claim, title or interest in or to any claim of, in or under the Goodman Patents related to digital subscriber line service or video on demand over any digital subscriber line service.

**"Goodman Patents"** means collectively United States utility patents 6,243,446; 6,236,718; 5,844,596; 6,542,585; 5,949,473; 5,929,896; 6,181,783; 6,185,284; 5,010,399, and any patent or

legal equivalent issued in the future in the United States and its territorial possessions and in all foreign countries that is a continuation or continuation-in-part, divisional, reissue, renewal, or substitute patent related to any of the above enumerated patents, and any other patent or legal equivalent issued in the future in the United States and its territorial possessions and in all foreign countries which covers or may cover any invention, technology, product, process, method or means relating to a data communications system commonly known as digital subscriber line service, or any other communication distribution system covered in whole or in part by at least one claim of any of the above enumerated patents.

**"Gross Recoveries"** means all compensation, tangible benefits, payments, proceeds and recoveries due or to become due, or paid or payable, to Inline (as such term is defined in the June 30, 2003 Agreement) (or to the Representative (as such term is defined in the June 30, 2003 Agreement), on behalf of Inline), Goodman (as such term is defined in the June 30, 2003 Agreement) or any other equity owner of Inline, in respect of each and every Current Patent Suit, each and every Future Patent Suit, and each and every Settlement, including all monetary awards to Inline (or to the Representative, on behalf of Inline) by a court in the Current Patent Suits and Future Patent Suits, whether in the form of compensatory, multiple or other damages, costs, attorneys' fees, pre judgment interest, post-judgment interest, and/or monetary sanctions, and all proceeds of any nature under Settlements, including collections, lump-sum and installment payments, license fees, royalties, consideration in respect of an assignment of any of the Goodman Patents (or any interest therein), consideration in respect of the sale of any asset owned in whole or in part by Inline (or any interest therein), any stock, debt or equity interest in Inline, and/or any asset or property of, or security or debt or equity interest in, any other company or other business entity, in each case without deduction for income or other taxes due or to become due in respect thereof or any other expenses payable by Inline or the Representative in connection therewith.

**"Settle"** means (i) to make a demand, to threaten a patent infringement suit, to make or accept an offer, to negotiate, to make or enter into an agreement, or to take any other action, to settle, compromise, dismiss or release a Current Patent Suit or Future Patent Suit (in whole or in part), and/or (ii) to make or accept an offer, to negotiate or to make or enter into an agreement, or to take any other action (a) to license, cross-license, sub-license, or assign one or more of the Goodman Patents (or any interest therein) or any invention covered by one or more of the Goodman Patents (or any interest therein), in each case provided that one or more of the Goodman Patent Rights are included in such license, cross-license, sublicense, or assignment, and/or (b) to procure or require payment of past or future damages, costs, expenses, attorneys' fees, royalties, or the payment or exchange of consideration in any form, related to or in respect of one or more of the Goodman Patents (or any interest therein) or any invention covered by one or more of the Goodman Patents (or any interest therein), in each case provided that a portion of such payment or consideration is to be made, regardless of whether expressly stated, in respect of one or more of the Goodman Patent Rights.

**"Settlement"** means any written or oral agreement, contract or understanding that (i) settles, compromises, dismisses or releases a Current Patent Suit or Future Patent Suit (in whole or in part), and/or (ii) licenses, cross-licenses, sub-licenses, or assigns one or more of the Goodman

Patents (or any interest therein) or any invention covered by one or more of the Goodman Patents (or any interest therein), in each case provided that one or more of the Goodman Patent Rights are included in such license, cross-license, sublicense, or assignment, and/or (iii) procures or requires payment of past or future damages, costs, expenses, attorneys' fees, royalties, or the payment or exchange of consideration in any form, related to or in respect of one or more of the Goodman Patents or any invention covered by one or more of the Goodman Patents (or any interest therein), in each case provided that a portion of such payment or consideration is to be made, regardless of whether expressly stated, in respect of one or more of the Goodman Patent Rights.
